Technical Description

Fixed Aluminium platform step available as single or double sided option, complete with handrail (Supplied Loose). Constructed from heavy-duty channel section aluminium with deep-serrated non slip treads. Used for a variety of applications including rountline maintenance on machinery in factory enviroments.

- » Deep serrated treads
- » Large chequer-plate platform for comfortable stock picking
- » Double handrail for additional safety

Standards & Classification

- » Duty Rating: 130kg
- » Maximum Static Vertical Load 175kg

Warranty

- » 5 Years

Shipping Dimensions
